Vumii Adds Key Reseller in the US

ATLANTA, GA, January 10, 2007--Vumii Inc. and Johnson Controls have executed a reseller agreement enabling Johnson Controls to sell the comprehensive suite of Vumii products. Johnson Controls Federal division provides system integration and technical solutions for federal facilities and critical infrastructures.

About Vumii

Vumii is a leading provider of sophisticated surveillance technologies that are revolutionary in practicality as well as performance. Vumii leverages expertise in electro-optics and image processing to develop advanced, affordable visualization and image interpretation tools that easily integrate with existing security systems. Vumii technologies greatly enhance prevention and response to critical physical security concerns, particularly for outdoor perimeter security in the transportation, critical infrastructure and government sectors. Current products include Discoverii, the first affordable long-range day/night vision camera system, and Sensorii, breakthrough situational awareness and image navigation software that dramatically improves orientation and usability for pan-tilt-zoom cameras.
